4th March 2020

Dear Parents/Carers,

We would like to share the below information with you that has been received from the Department for Education and NHS regarding Coronavirus. We have also attached a Public Information notice about protecting yourself and others from the spread of germs and on returning from specific countries in the last 14 days.

The overall risk of Coronavirus to the UK remains moderate. However, we understand that people may be concerned where there are children, students or staff returning from or visiting specific countries.

Public Health England and the Foreign Office have issued travel advice. This can be found at:

<https://www.gov.uk/guidance/travel-advice-novel-coronavirus>

You should not be unduly worried about the possibility of your children catching the Coronavirus.

There is no reason why your children should not continue to attend their early years, school or further education setting as normal.

We recognise that some families or children may be planning to travel abroad during the forthcoming Easter period. If so, please refer to the latest travel advice via the link above.

Latest information and advice can also be found at:

<https://www.gov.uk/coronavirus>

We will continue to share any information we have with you. If you have any concerns, please let us know.

Yours sincerely,

Mrs L Ross & Mrs R Wright
Moorlands Primary SLT
